

About this Job

Fusion Logistics is a rapidly expanding national service provider of Logistics and Final Mile Delivery solutions, and a leading service provider for Amazon Prime and Amazon Logistics. Outstanding opportunity for an MBA candidate to learn and grow with a great employer while experiencing the “cutting edge” inner workings of Amazon Logistics Operations.

Selected intern will work as part of our Finance Team in our business offices in Davie, Fl. As a Business Analyst advanced Excel Skills are required; we will teach how to data mine, manipulate and analyze operational and financial Information. As an intern, you will be shown how to work with software and data management tools including Salesforce, Quickbooks and other Logistics Industry programs. Training will also be provided on how to audit and review invoices for business expenses which include fuel, tolls and vehicles . Additional training will include the accounting functions of Billing, Payroll, Accounts Payable & Receivables and assist in general office support functions.
